EXAMINER'S AMENDMENT/COMMENT

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Scott E. Scioli on May 9, 2006.

Amendment to Claims

Claim 1 has been amended to read as:

1. An isolated and purified nucleic acid molecule that encodes a rat histamine H4 receptor protein, or a complement of said nucleic acid molecule, comprising a member selected from the group consisting of:
 - (a) a polynucleotide sequence encoding a polypeptide comprising amino acids 1 to 391 of SEQ ID NO: 9; and
 - (b) a polynucleotide sequence which is a full-length complement of a polynucleotide sequence encoding amino acids 1 to 391 of SEQ ID NO: 9.

In claim 16, line 4, replace "having an amino acid sequence of SEQ ID NO: 9" by --having the amino acid sequence of SEQ ID NO: 9--.

Drawing

The drawing, Fig. 3, filed on 07/23/2003 is objected to because the background of drawing is so dark that the tissue distribution pattern in the drawing is illegible. Corrected drawing sheets in compliance with 37 CFR 1.121(d) must be submitted in reply to the notice of allowability. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d).

Conclusion

Claims 1-4, 6, 7, 9, 10, and 16 are allowed. Claims 1-4, 6, 7, 9, 10, and 16 will be issued as claims 1-9, respectively.
